For both fairs, you are responsible for providing your own tent, tables, chairs or whatever else you may need for your business. Please remember, these fairs are held outdoors rain or shine, please be prepared to stay for the entire duration of the event. It is the responsibility of each Artisan to plan for New England weather and bring the appropriate protections for their products.

Application Process

Fill out the application on line at [Application for 2026](#). Please remember to submit photos that represent your full display in the photo upload area of the application. This will allow the juror team to view your handmade crafts and make acceptance decisions.. We verify that all crafts are handmade by you. We do not allow direct sale or buy/sell items.

Please retain a copy of the Terms and Conditions along with your application for your records.

Once your application is received, we will review your application and your photos/website and email a response within 2-3 weeks. Once acceptance is received, please follow instructions in the acceptance email to make payment.

SPACE INFORMATION AND REQUESTS

Our goal is to spread similar styles of crafts evenly throughout the fair to keep the fair alive and make each space a showcase of your craft. On the application, you will see a section where you can request your desired space. Please note, we will do our best at honoring your space preference, but at times we are unable to do so. If you are assigned a space in the Spring and have signed up for both fairs, you will receive the same space in the Fall, unless you inform us that you would like a different space.

Each space will accommodate a 10'x10' tent, we do allow you to rent more than one space, but please indicate it on your application. We realize that due to the nature of our grounds some spaces seem to invite the use of areas around the allocated space. We have always allowed Artisans to make use of this 'Extra' space and will continue to do so within reason. This would mean that if you have a space where a portion of your tent is exposed on the sides, please feel free to use that space for display, tables etc but do not extend more than 2 feet. **NO SPACES CAN EXTEND INTO THE WALKWAYS OR DRIVEWAYS.** If a member of the St Peter's team feels that boundaries have been extended too far, we will need to ask you to consolidate or purchase additional space. We appreciate your cooperation in this matter and being considerate to fellow artisans.

All indoor spaces are located in the basement of the church, shoppers can get to these spaces via the stairs or around the side of the building. There will be signage directing them to the location.. [Craft Fair Map](#)

SETUP AND DISMANTLING PROCEDURE

NO SETUPS SHOULD BEGIN UNTIL YOU HAVE SIGNED IN AT THE REGISTRATION TABLE

Our parking attendants will be available to direct you upon your arrival and after setup. We will be using the walkway as an unloading/loading area. It is crucial that you unload/load your car and then move to the parking lot so that we keep the traffic flowing. Please ensure you abide by our one way directions at setup and dismantling of spaces.

We appreciate your prompt unloading and parking of your vehicle so that each artisan will have the opportunity to set up in a timely manner. All vehicles **MUST** be moved to the parking lot, preferably into the grassed area of the parking lot. Anyone that has a trailer must park in the designated spots, please ask an attendant if you are unsure where this is located.

All questions regarding the fair should be directed to craftfair@stpeterslondonderry.org. To prevent being scammed, please ensure that you only communicate via this new email address. The only direct contacts for the fair are Janet Robinson and Jennifer Williams, at no time should you make a payment to an individual or another website.
