Planned Giving 2026. Did you know that over 50% of all people at the time of their death, do not have a will or living trust? Preparing an estate plan is good Christian stewardship - saying thanks to God, expressing your love and concern for family, and showing charity toward others. A planned gift is an act of love, a testament to the values and principles we hold dear. The Legacy Society of St. Peter's offers church members the opportunity to make a planned gift now, in this lifetime, or at the end of life. You can also make an endowment gift in your lifetime to make a difference today! Contact Karen Furtado or Lee O'Connor with questions.
