Priest-in-Charge to Rector Discernment On June 4th, the Vestry will be meeting to vote on the topic of calling the Rev. Mary Beth Mills-Curran as our Rector. As you know, we began this process in November when we had a parish meeting to talk about how St. Peter's is doing. We received valuable input from you at that time and met in December to discuss our next steps. After that conversation, we wanted to take some time to reflect on and integrate what we learned from the congregation and set a goal of continuing the process in the Spring.

Our Vestry Retreat in February included professional facilitation in creating a foundation for a strong and vibrant Vestry. It was a good experience for all of us. Since then, we have felt ready to continue the discernment process, understanding that within the Episcopal Church, the decision to call a Rector is made by the Vestry.

We ask for your prayers as we move forward in this process. We have a good Church because of the good people that call St. Peter's their spiritual home. Thank you!

Planned Giving 2026. Did you know that over 50% of all people at the time of their death, do not have a will or living trust? Preparing an estate plan is good Christian stewardship - saying thanks to God, expressing your love and concern for family, and showing charity toward others. A planned gift is an act of love, a testament to the values and principles we hold dear. The Legacy Society of St. Peter's offers church members the opportunity to make a planned gift now, in this lifetime, or at the end of life. You can also make an endowment gift in your lifetime to make a difference today! Contact Karen Furtado or Lee O'Connor with questions.
