Planned Giving 2026. We are thrilled to announce that the St. Peter's Legacy Society was formally launched on Thursday, May 28th at our first Annual Legacy Society dinner held at the Coach Stop restaurant. Many thanks to those that have made or are considering a future planned gift to St. Peter's in their life plans. Planned Giving is a good way for members of St. Peter's to say

- We believe in the future of this church.
- We want to be guided in our stewardship by the belief that everything we have is a gift from God.
- We want to build a sense of permanence in what we do.
- We want to continue a heritage that future generations can celebrate as joyfully as we celebrate our rich heritage today. Contact Karen Furtado or Lee O'Connor with questions.

Loose Plate Collection on First Sundays The first Sunday of each month's loose plate collection funds both the St. Peter's discretionary fund and the Londonderry Good Samaritans Fund. These funds are used to help people in our parish and the Londonderry area who have fallen on tough times.
